Screen Sharing Solution

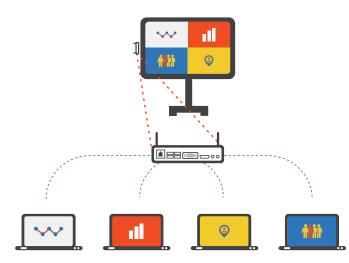

Wireless collaboration for meeting rooms

Designed with LED touch screen technology, the Vestel Interactive Flat Panel Display is a dynamic and engaging business solution, offering a more efficient way to share knowledge as well as information. Enabling businesses to save time, office space and resource, our interactive flat panel displays wirelessly connect to Microsoft's Intel Unite, a cutting-edge software that offers a more user-friendly screen sharing tool. Requiring no additional hardware or software, Intel Unite promises to enhance productivity at work, reducing set up times for meetings and improving collaboration between participants.
